FROM :

SUBJECT : Fraser Subcommittee Request for Staff Interviews

X1 REFERENCES :

- A. [redacted] Memorandum, 4 May 1978, Fraser Subcommittee Request for Additional Traces
- B. OLC 78-1747, 12 May 1978, Letter from Fraser Subcommittee, attached

1. The House International Relations Committee, Subcommittee on International Organizations (Fraser Subcommittee), requested an opportunity to interview two staff officers, [redacted]

2. Reference B outlines the subject areas that the Subcommittee intends to cover with each. We request that you make a copy of that memorandum available to [redacted]. We have made a copy available to [redacted] directly. We recognize that the original request from Subcommittee staff member Mr. Steven Blush probably stemmed from his belief that [redacted]

1 [redacted] He understands that they are Agency staff officers [redacted] but wants to pursue the interviews in any case.

3. There is no time yet arranged for the interviews. Congressman Fraser has requested that we expand our Memorandum of Understanding and permit additional Subcommittee staff members to be cleared and added to the list of staffers with access to Agency material. This includes the intended interviewer, Mr. Steven Blush. The request to give Mr. Blush access has not yet been answered by the DCI; therefore, unless the Subcommittee substitutes one of the two staffers who are listed, the interviews are not imminent.
